

Clarification of Pakistan Scam Website

We have recently become aware of a Pakistan website (<https://korean-skincare.pk/>) which make references to YesStyle, claiming to be an official authorized seller in Pakistan and an official partner of YesStyle Korea and a child website of YesStyle Korea.

We hereby clarify and emphasize that YesAsia Holdings Limited (02209.HK) and its subsidiaries (the "Group") does not have any official sellers/partners or child website in Pakistan. The Group has not authorised any Pakistan website or its operator/owner to use any of the Group's information or brand names in such website or social media platform(s). The Group shall not be responsible for the information contained in, nor transactions conducted via, such unauthorized channels.

Customers are advised to visit and place orders with the official website for YesStyle at <https://www.yesstyle.com> or the official YesStyle App and contact us (ir@yesasiaholdings.com) if necessary.
